

Authority to Act (Business)

IMPORTANT: This form must be completed by a person with authority to make decisions for the business.

EWOV provides an independent and free service. You can avoid fees that an agent might charge in relation to an EWOV matter by contacting EWOV directly. Fees charged by an agent cannot be recovered from EWOV or the company that your complaint is against.

When you sign this form you authorise a person to act on behalf of a business about your complaint with the Energy and Water Ombudsman (Victoria) (EWOV) and EWOV can:

- seek information from that person about the business
- give information to that person about the business
- deal with that person as if they have authority to make decisions for the business.

This authority will remain valid permanently unless it is withdrawn by the business.*
